

Contribution of a platform on water conservation in Jordan / Palestine / Egypt

Please select a moderator and a reporter at your table.

Please discuss the following topic:

- **Assess the potential and possible contribution of a networking platform to enhance cooperation between relevant stakeholders in water conservation. (15 min.)**
- **Provide 3 examples on how a platform can contribute to strengthen the CSOs to take an active role in water conservation? (15 min.)**
- **Provide 3 ways on how such a platform can contribute to a policy dialogue on water conservation in your country? (15 min.)**

Please write up your suggestions on a flipchart!

This project is funded by European Union's Non-State and Authorities programme for "Strengthening the Capacities of Non-State Actors-Actions in partner countries (Multi-country)
